That's a very good question. I'm not sure. If we did it before noon, then I'm guessing I wouldn't be traveling yet.

26th would work for us but would you not be travelling that day?

The week of the 26th is the Tribal EPA Conference in Reno (27th-29th). I'm currently planning to attend, but am not sure which days. Monday, the 26th, would work for me if that works for you.

Lisa,

We have the public hearing for NGS draft permit at Page on OCT 15 and Tennille and I are going to be attending the CPP training by ITEP the week after that. It looks like this is conflicting with our update call. I would suggest sometime the week of the 26th, but I have to confirm this with the ladies. Any suggestions?

Raju

Hi Lisa,

Please find attached copy of the letter and the final permit for EPNG Window Rock that was issued and mailed today.

Raju
